**"Planning and Collaboration for
LBS Delivery post COVID-19"**

Jan 13, 2022 10:00 to 11:30 a.m.

This webinar will help LBS programs consider leadership needs, opportunities for collaboration, and resource allocation to maximize capacity for a possible combination of both F2F and virtual delivery. A checklist will be provided to help programs identify the most relevant steps to facilitate the development of a delivery strategy and vision for their agency moving forward.

More information, including how to register, is coming soon!
