

BigBlueButton - Instructor Checklist and Tips for Getting Started

1

One Time – If BBB is not already in your Moodle course

- Login to Moodle and open the course associated with your BBB session. 
- Enable **editing** and add a BigBlueButton activity. Adjust room settings. 
- (Optional): **Upload a presentation file** (PPT, PDF, images, video) to the BBB session room. (Use  to change file later). 

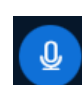

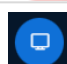

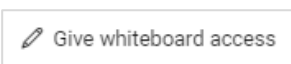

2

Just prior to your session

- **Plug in** your headset or speakers & microphone; **Login** to your Moodle course and join the session. 
- Audio settings pop-up: confirm your **Microphone** and **Speaker choices**, test, make adjustments as necessary. **Join audio.** 
- **Test your webcam** by clicking the webcam icon and adjust settings. 
-  Use the Actions button to **upload content**.
- Adjust Lock Viewers settings to allow/restrict participants from using specified features.  
- Set up annotation tools (tool, colour, font/size). 

3

It's GO time!

- **Start Recording.** Confirm that you are recording by the red dot. 
- **Unmute your microphone.** Ask for a **thumbs up** if participants can hear you (look through Users list to confirm).  
- If microphones are locked, **unlock** specific users or **unlock for all** in Settings/Lock Viewers.  
-  Click through slide content, whiteboards, or share screen. 
-  Use the **Actions** button to **upload more content**, set up a **Poll**, share a **Video**, **Timer**
- **Add markups** to slide content by using annotation tools. 
- Toggle multi-user whiteboard  or give access to individual users. 
-  **Public Chat**  **Scan** for message notifications in the Messages panel, monitor the Users list for **raised hands** and other feedback.  

4

It's a WRAP!

- **Recommended:** Click the red **Leave** in the upper right corner and select **End session for all**. All participants will be removed.  
- **OR if you alone need to leave**, exit by selecting **Leave Meeting**.
